

Христос Воскрес! Воістину Воскрес!

Dear Holy Trinity Cathedral Parishioners,

I hope that this email finds you well and staying safe in these troubled and unusual times. Our parish has been presenting Livestream Broadcasts of the Divine Liturgy and Akathist services over the last few weeks. We will be continuing this Sunday with a Divine Liturgy being presented on our Holy Trinity Cathedral Saskatoon Facebook page. I understand that some of you are not signed up on Facebook but that is not a problem for you. The following is the procedure by which you can watch the broadcast from the Cathedral Facebook page while not being a Facebook member.

1. Click on the link below to proceed to Holy Trinity Cathedral Saskatoon Facebook page.
2. When you are on the page, it will ask you to sign in to Facebook.
3. Click the 'Not Now' button (or whatever words say no thanks, I don't want to sign in - at the bottom of the sign in box.)
4. The picture of the service (interior of the Cathedral) will appear near the top of the page and you simply click on it and it should play for you.
5. The service will be livestreaming 15-20 minutes before the 10:00 am start of liturgy so you should have plenty of time to find the picture and be set to participate in the service.
