

Monthly Online Youth Discussion Sessions

In spite of COVID-19, the National Executive has continued to meet and plan towards our resolutions by creating meaningful opportunities to engage Ukrainian Orthodox Youth. As some of you know, the Joint Initiative Task Force (members of UOCC and USRL) had been hosting weekly youth sessions on religious topics, led by Fr. Tim Chrapko. National CYMK had the opportunity to lead one of these sessions with the goal of organising a youth-led discussion. After this opportunity, the National Executive has decided to host 4 youth sessions this fall, once per month, with the first one having been on September 17, 2020.

Our upcoming session topics are as follows:

October 15, 2020 - Different Religions [Which will be lead by His Eminence Metropolitan Yuriy]

November 19, 2020 - Technology within the Church

December 17, 2020 - Holiday Traditions
